ERGONOMY

Kastel progetta e produce sedute che rispettano le esigenze ed i limiti dell'uomo, garantendo l'integrità fisica e psicologica che ne potenzia le capacità operative. L'obiettivo è quello di accrescere l'efficienza dell'utente e di contribuire al suo benessere psicofisico.

Kastel designs and produces seating which respect mankind's requirements and limits, guaranteeing physical and psychological integrity which increases working capability. The objective is to increase user's efficiency and to contribute to their psychophysical well-being.
